What Commercial Delivers Across the Transformation Lifecycle

Our AI vision

Building the frontier consulting brand

Human-led, AI-native delivery

Faster, more predictable delivery with the governance and human judgment clients can trust.

Frontier brand identity

AI-powered, product-minded, and platform-driven. Built for what clients expect next.

Meeting clients where they are

Tailored to each client's AI maturity, from first steps to enterprise-scale transformation.

Strategy through execution, end to end

Advisory insight connected to scalable delivery across consulting, digital, and managed services.

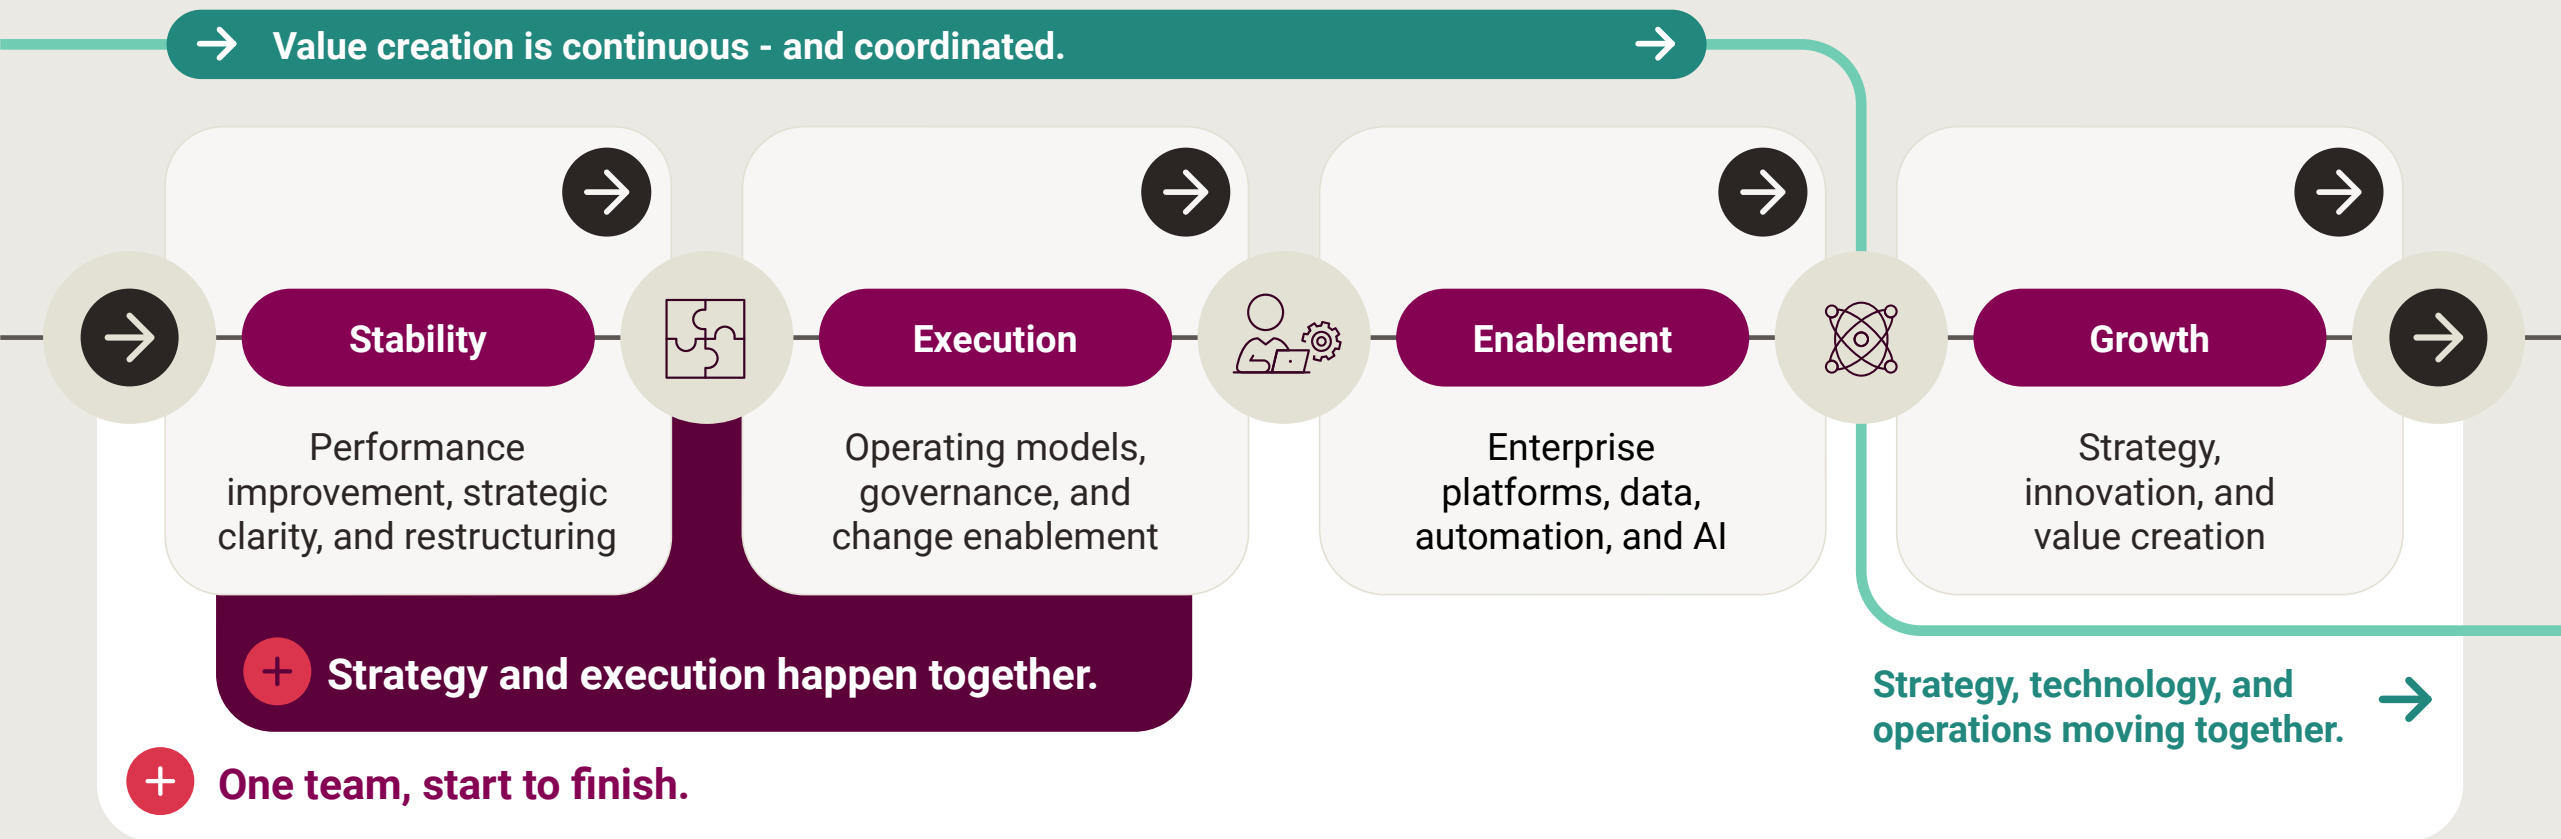

Deep industry process knowledge

We hire from the industries we serve. That is the difference between deploying AI and knowing what to do with it.

Clients Experience One Integrated Team. Continuous Value.

We apply capabilities in parallel across every moment that matters.

Huron differentiators

Huron Consulting is a perfect balance

We have the **resources and skill sets** of the larger firms with the **accessibility and agility** of a smaller firm.

Big four and global SI firms

Strategy and advisory: Shapes the future of finance and supply chain, with advisory support for debt and organizational restructuring.

Global delivery capabilities: Large teams across geographies enable 24/7 execution and support.

Broad service offerings: End-to-end consulting from strategy to implementation across industries.

Robust methodologies: Mature frameworks and standardized processes.

HURON

Boutique firms

Niche expertise: Deep focus in specific industries or technologies.

Flexibility: Faster decision-making and adaptability to client needs.

High-touch engagement: More personalized attention and senior-level involvement.

Innovative approaches: Less bureaucracy allows for creative problem-solving.

Cost efficiency: Competitive pricing compared to larger firms.
